

JENNIE TAYLOR BEATEN.

By a Brother of the Man Who Cut
Her Some Time Ago.

Nick Woods has been arrested, charged with assault and battery on Jennie Taylor. The parties are colored residents of the Seventh ward, and the woman alleges that Woods beat her in a terrible manner, while her appearance corroborated her statement. Jennie seems to be a mark for the Woods family. About a year and a half ago Jake Woods, a brother of Nick, was Jennie's lover. Just to show here how much he liked her he came near separating her from her life. He attacked her with a razor, cutting her to such an extent that she lay between life and death for some time at the General hospital. Jakes was convicted and sentenced to four years' imprisonment in the county jail, which he is now doing. His brother then took his place in Jennie's affections. For a woman Jennie can fight some herself, and when drinking a razor or a club is required to subdue her. She has a reputation for fighting women and men, and the Woods family seem to know her. Alderman Doeblor will hear this case.
